HAIG POINT UTILITY COMPANY, INC. - APPLICATION FOR APPROVAL OF AN ADJUSTMENT IN RATES AND CHARGES FOR WATER AND SEWER SERVICES

Haig Point Utility Company, Inc. (HPU or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of its rates and charges for water and sewer services. The Application was filed pursuant to S.C. Code Ann. Section 58-5-210 *et. seq.*, R 103-514.4, 103-712.4 and R 103-834.

According to the Application, the Company was established to provide water and sewer service to the 1,050 acre planned development known as Haig Point, located on Daufuskie Island in Beaufort County, South Carolina. Further, the Application indicates this filing is necessary because the current rates do not enable the Utility to cover its cost of providing service and earn a fair return on its investment. The Utility, according to the Application, has not applied for rate relief in 17 years, since its initial rate filing approved in 1988.

PLEASE TAKE NOTICE that a hearing on the above matter previously scheduled for **Thursday, July 14, 2005 at 10:30 AM in the Commission's Hearing Room** has been **RESCHEDULED** for **July 14, 2005, at 7:00 p.m. at the Town of Hilton Head Town Hall, Council Chambers, One Town Center Court, Hilton Head Island, South Carolina 29928**, for the purpose of taking local public witness testimony and will continue on **July 18, 2005, at 11:00 a.m. in the Commission's Hearing Room, 101 Executive Center Drive, Saluda Building, Columbia, South Carolina 29210** before the Commission, at which time the Company's case in chief will be presented.
